INTRODUCTION

The Association of Geologists and Mining of Cyprus in collaboration with the Hellenic Committee of Hydrogeology, member of the Geological Society of Greece, organize the 12th International Hydrogeological Conference which will take place 20-22 March, in Nicosia (Lefkosia) Cyprus at the University of Cyprus.

The conference will be held under the auspices of the Minister of Agriculture, Rural Development and Environment of the Republic of Cyprus and it is supported by the Geological Survey Department of Cyprus and the Cyprus Scientific and Technical Chamber.

This conference aims in gathering and disseminating knowledge and good practices on dealing with increasing pressures and challenges on groundwater resources, protection and management, in our ever-changing environment driven by climate change.

MAIN SUBJECTS

- 1. Impacts of Climate Change on Groundwater**
- 2. Environmental Hydrogeology in the light of climate change**
- 3. Water management in the mining industry**
- 4. General Hydrogeology**
- 5. Karstic Hydrogeology**
- 6. Applied Hydrogeology**
- 7. Fractured Aquifers**
- 8. Hydrogeochemistry and Isotopic Hydrogeology**
- 9. Remote Sensing and Aquatic Environments**
- 10. Geothermal, Thermal and Natural Mineral Waters**
- 11. Hydrology**
- 12. Groundwater Numerical Modeling**
- 13. Economic Management Policy and Water Rights**

LANGUAGE

The official languages of the conference are Greek and English.

ACTIVITIES

- Opening Ceremony
- Oral and Poster Presentations
- Field Trip

REGISTRATION

The registration to the Conference, the submission of papers as well as the participation in the field trip should be done through the website of the conference (www.Hydrogeologyconference2022.com.cy).

PAPER SUBMISSION

The conference proceedings with full papers will be published in digital form and will be given to the delegates at the beginning of the Conference. The full papers must be submitted by the 15 of Dec. 2021. Papers should be written either in English or Greek with an English summary. Authors, should follow paper format instructions given in the website (www.hydrogeologyconference2022.com.cy)

Paper submission is mandatory for any the presentation (oral or poster). For each paper accepted a subscription (50 or 70 €).

REGISTRATION FEES

For all the participants (before **15/12/2021**): **50 €** For all the participants (after **15/12/2021**): **70€**
Students: **25€**

ORGANISING COMMITTEE

President

Christdoulos Chatjigeorgiou Cyprus Geological Survey Department

Vice-President

Costas Voudouris, Aristotle University of Thessaloniki

Secretary

Stavri Pikoula, Association of Geologists and Mining Engineers of Cyprus

Treasurer

Stavros Stavrou, Association of Geologists and Mining Engineers of Cyprus

Members

Christos Christophi, Cyprus Geological Survey Department

Neratzis Kazakis, Geological Society of Greece

Michalis Rigas, Cyprus Geological Survey Department

Antonis Kolios Cyprus Water Development Department

Theodosia Eracleous Cyprus Geological Survey Department,

Iordanis Dimitriadis, Cyprus Geological Survey Department

Emorfia Constantinide, Association of Geologists and Mining Engineers of Cyprus

Nikolas Papadimitriou, Cyprus Geological Survey Department

VENUE

[University of Cyprus](#)

1 Panepistimiou Avenue

2109 Aglantzia, Nicosia

P.O. Box 20537, 1678 Nicosia, Cyprus
